The Lane Vikings and the faculty of Lane Junior High School put forth one of their best efforts to accomplish a historical year for 1972-73.

Planning for the future, Mr. Karanovich sets up a pre-designated schedule for the seventh and eighth graders. Freshmen, who worked for credits to graduate from high school, had an equally well planned schedule plus a few options.

For fun at school, Viking students joined seventh period activities, which are set up so a student may explore some areas of interest he or she might pursue in later life. Lane's fun also includes the sports program.

Mr. Williams, a newcomer to Lane, has enjoyed the year, meeting all the students he could.

Mr. Williams; Our New Chief

Mr. Williams has been successful at Lane, and we hope to have him as our principal for many years to come. He is always willing to talk as Dave Peaster finds out.

OUR NEW PRINCIPAL

Mr. Williams, is a concerned principal. He always seems to be interested in students problems; personal or scholastic. There are many decisions that Mr. Thomas Williams makes through the year to better the learning atmosphere here at Lane. He tries to help Vikings with problems they face in scheduling school programs and activities. Mr. Williams started out as a teacher and later became the principal at Franklin. When Mr. McClain left, Mr. Williams was chosen as our new principal. He hopes to make school fun to be at. He wants students to want to come to school, and is doing everything he can to accomplish this task. His years of experience, as a teacher, and principal, enable him to make polices in the best interest of Lane and to work for every person connected with the school.

Mr. Nick Karanovich is the assistant principal here at Lane. Among his many duties are arranging seventh period activities, working with parent-teacher procedures, supervising the cafetorium, and handling guidance and attendance problems. Mr. Karanovich also works with students when they request his assistance with a special problem. Mr. Karanovich came to Lane a few years after it opened and has since been an irreplaceable member of the Lane faculty.

Mr. Dan Kaufman and Mrs. Marilyn McDougale along with Miguel Ludwig are shown here selling booster ribbons for one of the freshman home basketball games.

Mr. Kaufman's and Mrs. McDougale's job is to assist the students in planning schedules and working with students to give their problems the necessary discussion required before a solution can be found. They also may act as a go between for students and teachers.

Mrs. McDougale and Mr. Kaufman also sponsor the student council.

Without these two counselors, many a problem would probably not be resolved.

They Help Keep Lane Going Strong

SECRETARIES: Mrs. Kindy, Mrs. Younghaus, and Mrs. Hultz are Lane's secretaries. Their main job is bookkeeping for school

CUSTODIANS: Mr. Atherton, Mr. Stephan, and Mrs. DeBolt are our day custodians. Mr. Atherton sees that everything is taken care of. Mr. Stephan is a handyman. He can fix almost anything. Mrs. DeBolt does general clearing. We also have two night custodians, Mr. Stanger and Mr. Bay-singer.

Our cafeteria cooks work hard to give us a hot lunch every day.

Varsity Has a Good Year

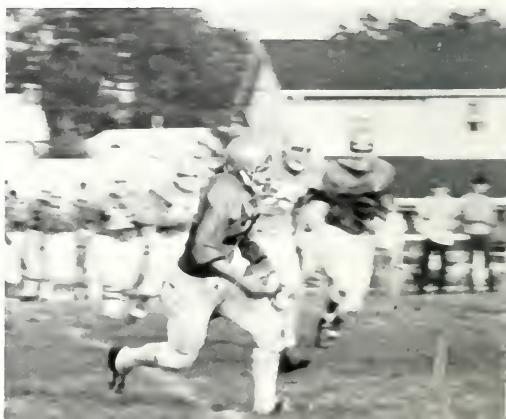

9th Football

The ninth grade footballers had a very successful season with a final record of 5-1. The only loss came in a division title matchup dropping an 8-6 decision to Jefferson. The Vikes quickly redeemed themselves in a crossover game by clobbering Miami 36-0. The Freshmen knocked off four teams by shutouts! Lane virtually clobbered every team they met except Jefferson by using their wishbone T offense. In the Jamboree, Lane was unfortunate and lost both of their practice games.

Through rain, mush, sleet and snow the Freshmen conquered all on the gridiron under Mr. Neff's fine coaching.

Eighth Ends a Long Season

Dave Shidlev heads up field.

The reserves suffered a heartbreaking season with a 1-4 record. The eighth graders showed fine hustle and spirit plus guts. They were just faced with an inability to get the ball across the goal line. Even though they lost four games they never got beat by more than 20, and recorded one shutout in a 7-0 victory over Blackhawk. Mr. Arnold performed a fine coaching job and hopes next year for better luck.

9th Basketball

The Freshmen B-Ballers had a tremendous season winning 11 and losing 1 in the regular season. Losing only the second game to Kekionga. The 10 in a row victory streak set a new school record. Mr. Kramer as usual did a fantastic coaching job, and the team was amazing. Bramley and Woods were the leading scorers throughout the year. The freshmen beat several teams by lopsided scores and displayed good sportsmanship throughout the year.

8th Basketball

The reserves basketball team came up with a final record of 3-8. The team was coached by Mr. Smith. Try-outs were held from a crop of 50 boys and slimmed down to a squad of 15. The reserves record does not indicate their true performance. They performed well and in a sportsmanlike manner as is the true tradition of Lane. Thanks to Mr. Smith for coaching the team and to all the boys who worked so hard all season long.

It Takes a Lot of Hard Work

Cross Country and Track: Lane's Cross Country Team had another successful season under the able coaching of Mr. Merchant. The city meet was held this year at Shoaf Park on November 24. Lane's freshmen finished seventh with the seventh and eighth graders palcing eleventh.

The Tracksters started their practices early in the month of March. We had many outstanding individual performances throughout the season, plus a tremendous overall team effort. We want to thank these boys who worked hard every spring evening. The seventh and eighth grade was coached by Mr. Arnold and the freshmen by Mr. Merchant.

Their Leader Mr. Neff

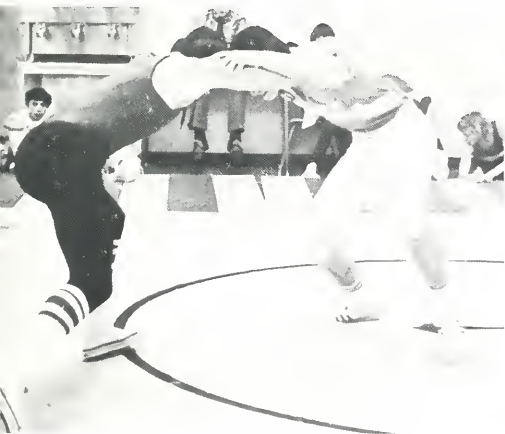

The big gold grapplers conquered city for the third season in a row and the sixth time in seven years, an amazing accomplishment. Mr. Neff again led the team well with great coaching. We had three individual city champs. These are: Kevin Winner, Kevin Jones, and Steve Ellinwood. Only one grappler failed to place in the top four of city. While at Snider the grapplers collected 104 points. Their closest opponent was Franklin with a mere 93. During the six Championship Campaigns, this was the first that spectators were able to attend any meet besides the city meet. Instantly wrestling became a popular sport. The wrestlers again for the sixth time went over to Snider, they saw, and conquered. They dropped only one match during the year to Geyer.

As hopes turn into fears,
As we choose right from wrong,
As hours rush into years,
Time sings an endless song.

As we strive to know all that we should,
As we search for a better goal,
As we march, tin soldiers, from childhood,
The drums of time beat an endless roll.

Our pasts lie firm, though dim, behind
Our futures loom bright as the dawn
The present mysteries being to unwind
As time's endless journey goes on.
